Independent Auditor's Report

To the Board of Directors
Northeast Missouri Area Agency
on Aging
Kirksville, Missouri

To the Missouri Department
of Health and Senior Services
Division of Senior and Disability Services
Jefferson City, Missouri

Report on the Financial Statements

We have audited the accompanying financial statements of Northeast Missouri Area Agency on Aging (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the Missouri Department of Health and Senior Services "Mandated Audit Criteria." Those standards and the Missouri Department of Health and Senior Services "Mandated Audit Criteria" require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northeast Missouri Area Agency on Aging as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal and state awards, as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2015, on our consideration of Northeast Missouri Area Agency on Aging's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Northeast Missouri Area Agency on Aging's internal control over financial reporting and compliance.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 1 – Organization and Nature of Activities

Northeast Missouri Area Agency on Aging (the Organization) is a not-for-profit community-based organization incorporated in 1973 and governed by a local Board of Directors. The primary purpose of the Organization is the establishment of the priorities and development of overall plans for programs on aging in the Multi-County Area of Northeast Missouri. The Organization receives funds under Title III and other Titles of the Older Americans Act (OAA), as amended, and such other sources as may become available. The Organization is mandated by the OAA to use subgrants or contracts with service providers to provide all services under OAA funding sources. The Organization may request a waiver, from the Missouri Department of Health and Senior Services, to provide a service directly. The level of services provided is dependent upon the amount of funding provided under contract from the Missouri Department of Health and Senior Services. The accompanying financial statements include all funds that are directly controlled by the Organization.

Description of Program Services and Supporting Activities

The following program and supporting services are included in the accompanying financial statements:

Supportive – provides transportation, homemaker, personal care, legal assistance, and information and assistance services to older individuals.

Ombudsman – provides services of an ombudsman to receive, investigate, and act on complaints by older individuals who are residents of long-term care facilities and to advocate for the well being of those older individuals.

Congregate – provides a daily meal and other appropriate nutrition services in a congregate setting primarily to older individuals and other eligible recipients.

Home Delivered – provides a home delivered meal daily primarily to older individuals and other eligible recipients.

Disease Prevention and Health Promotion – provides the powerful tools for caregivers program.

Family Caregivers – provides in-home respite and information and assistance services to assist family caregivers in providing extended care to older persons.

Special Programs – provides outreach to low-income beneficiaries (MIPPA) and assistance with accessing health insurance coverage under the Affordable Care Act (Navigator).

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 1 – Organization and Nature of Activities (continued)

Description of Program Services and Supporting Activities (continued)

Area Agency Administration – includes the functions necessary to ensure an adequate working environment; provide coordination and articulation of the Area Agency’s programs; secure proper administrative functioning of the Board of Directors; and manage the financial and budgetary responsibilities of the Area Agency.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Assets are sequenced according to their nearness of conversion to cash, and liabilities are sequenced according to the nearness of their maturity and resulting use of cash.

Accounting Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through November 10, 2015, the date on which the financial statements were available to be issued.

Fund Accounting

To facilitate observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, for financial reporting purposes the funds have been combined.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Revenue Recognition

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Unconditional promises to give are reported at net realizable value if expected to be received in one year or less and at fair value if expected to be collected in more than one year. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Cost reimbursement grants (federal grants and state general revenues) are recognized as revenue when allowable expenditures are incurred and all other grant related requirements have been met. Cash entitlement in lieu of commodities is earned when received or receivable and the Organization has served enough eligible meals to qualify for the cash entitlement in lieu of commodities. Program income is recognized when received. Interest income is recognized in the period earned. Other cash is recognized when earned consistent with the terms and conditions that govern the funding.

Budgetary Accounting

Budgets are adopted for each service provided based on an Area Plan approved by the Missouri Department of Health and Senior Services. Budget revisions are determined in accordance with applicable Missouri Department of Health and Senior Services regulations on grant administration.

Cash equivalents

For purposes of the Statement of Cash Flows, cash and cash equivalents include all highly liquid investments with a maturity of three months or less when acquired. The Organization has no cash equivalents at June 30, 2015.

Accounts Receivable

Accounts receivables are reported at unpaid balances adjusted for any charge offs. Accounts receivables are considered past due after one year. Past due accounts are not assessed a finance charge. There are no past due accounts receivables.

Allowance for Doubtful Accounts

The Organization has not established an allowance for doubtful accounts as the majority of the Organization's receivables are due from governmental agencies and experience has shown that the Organization is able to collect all amounts due.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Property and Equipment

Additions and betterments of \$500 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently. Property and equipment are carried at cost.

Property and equipment acquired with grant award funds is owned by the Organization while used in the program for which it was purchased or in other future authorized programs. The funding sources, however, have a reversionary interest in the property and equipment purchased with grant funds. The disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations.

Equipment acquired with grant award funds is charged to expense in the period of purchase instead of being depreciated over its useful life. Generally accepted accounting principles require that equipment acquired with grant award funds be depreciated. If the equipment were capitalized and depreciated (using the straight-line method), the cost of equipment, net of depreciation, at June 30, 2015 would be \$3,883. This practice does not represent a material departure from generally accepted accounting principles.

Property is being depreciated on the straight-line basis over the estimated useful lives of the assets as follows:

Building and improvements	40 years
Parking lot	10 years

Funds held in trust

The Organization records Missouri Department of Health and Senior Services (DHSS) unearned grant allotment balances as a refundable advance until they are expended for the purpose of the grant and all other grant related requirements have been met, at which time they are recognized as revenue.

Compensated Absences

Employees of the Organization are entitled to paid vacation and paid sick days, depending on job classification, length of service, and other factors. The Organization's policy is to recognize the costs of compensated absences when incurred. Total vested leave at June 30, 2015 amounted to \$14,093 and is reported as "accrued liabilities" in the Statement of Financial Position.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Net Assets

The Organization's net assets are classified as follows:

Permanently restricted net assets: consist of funds in which donors or other outside parties have stipulated, as a condition of the gift instrument, that the principal is to be maintained inviolate and in perpetuity, and invested for the purpose of producing present and future income, which may either be expended or added to the principal.

Temporarily restricted net assets: consist of those net assets whose use by the Organization have been limited by donors to later periods of time or after specified dates or to specified purposes.

Unrestricted net assets: represents those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation. Changes in net assets arising from exchange transactions are included as well as resources derived from gifts and contributions. These resources are used at the discretion of the governing board to meet current expenses for any purpose.

Limitations on Unrestricted Net Assets

Grantor agencies impose significant limitations on the use of grant resources. Therefore, unrestricted net assets derived from grant resources are limited in use to those activities which are allowed under the terms of the grant awards and related grant program rules and regulations. Funds not used for purposes specified in the grant award document or the related grant program rules and regulations may be required to be repaid by the grantor agency.

Contributions

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence or nature of any donor restrictions.

Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted contributions.

Donated Facilities, Materials and Services

Donated services are recognized as contributions at their estimated fair value if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and the service would typically need to be purchased if not donated. There were no contributed services meeting the requirements for recognition in the financial statements.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Donated Facilities, Materials and Services (continued)

Other donated services, which have not been included in the financial statements because they do not meet the criteria for recognition, were contributed by various individuals and organizations. The total estimated fair value of donated services that are not recognized in the financial statements is \$260,695 for 2015. Donated facilities, materials and services are used to meet non-Federal share matching requirements of the grant programs.

Concentration of Cash

The Organization maintains its cash deposits in one financial institution located in Kirksville, Missouri. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2015, the Organization's uninsured cash balance totals \$53,152. U.S. Treasury Notes with a market value of \$595,742 are pledged as collateral for cash balances in excess of federally insured limits. The Organization has not experienced any losses in bank deposit accounts. The Organization believes it is not exposed to any significant credit risk on cash balances.

Concentration of Credit Risk

The Organization receives support from various federal and state agencies. At June 30, 2015, 100% of the grants and contracts receivable balances were due from state governmental agencies.

Concentration of Revenue

The Organization receives approximately 56% of its revenues from federal and state governmental agencies. Of this amount, approximately 72% is received from the Missouri Department of Health and Senior Services and approximately 26% from the Missouri HealthNet Division. Approximately 42% of the Organization's revenues are from program income and other cash generated through awards to various organizations for the delivery of services to eligible recipients.

Expense Allocation

Shared costs are allocated to benefiting programs using various allocation methods, depending on the type of shared cost being allocated. Shared costs are those costs incurred for the common benefit of all Organization programs, but which cannot be readily identified with a final cost objective. Expenses are allocated to program services and supporting activities on the following bases:

Personnel and fringe – Salaries and wages, leave, and fringe benefits are allocated to each program or activity in accordance with job descriptions and time analysis for various functions.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 2 – Summary of Significant Accounting Policies (continued)

Cost Allocation (continued)

Travel, assistance, miscellaneous, and naps user access and main project – Costs are billed directly to the program benefited.

Occupancy, telephone, printing and supplies, postage, equipment, insurance and bonding, repairs and maintenance, memberships, dues, subscriptions and publications, and professional services – Costs are allocated to each program based on square footage occupied.

Income Taxes

The Organization is a not-for-profit organization exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. It is also exempt from state income taxes under the Missouri Not-for-Profit Corporation Act.

Uncertain Tax Positions

FASB accounting standards on accounting for uncertainty in income taxes address the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Organization shall recognize the tax benefit from an uncertain tax position when it is more likely than not, based on the technical merits, that the tax position will be sustained on examination. Examples of tax positions include the tax-exempt status of the Organization and various positions related to the potential sources of unrelated business taxable income.

Management evaluates the Organization's tax positions annually for any potential changes or issues that may result in uncertainty in the accounting for income taxes. As of June 30, 2015, management believes the Organization's tax status to be that of a not-for-profit entity. Management has reviewed all sources of revenue and does not believe the Organization to be subject to income tax on unrelated business income. The Organization did not record any interest or penalties in the statement of activities or statement of financial position as of and during the year ended June 30, 2015.

Advertising

The Organization's policy is to expense advertising costs as they are incurred. Total advertising costs expensed in 2015 was \$2,073.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 3 – Cash

The Organization must comply with various restrictions on deposits which are imposed by state and federal regulations as follows:

Deposits: All deposits with financial institutions must be held in depositories insured by the FDIC and deposits in excess of FDIC coverage limits must be collateralized. Also, Federal regulations require that all advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

Note 4 – Grants Receivable

The following is a summary of grants receivable at June 30, 2015:

	Unconditional Promises to Give due in:			Total	Allowance
	Less than 1 year	1 to 5 years	More than 5 years		
Missouri Department of Health and Senior Services	\$ 9,850	\$ -	\$ -	\$ 9,850	\$ -

Note 5 – Property and Equipment

The following is a summary of property at June 30, 2015:

	Beginning Balance	Additions	Dispositions	Ending Balance
Land	\$ 25,000	\$ -	\$ -	\$ 25,000
Building and improvements	141,657	-	-	141,657
Parking lot	7,000	-	-	7,000
Total	173,657	-	-	173,657
Accumulated depreciation	(39,766)	(4,037)	-	(43,803)
Net	\$ 133,891	\$ (4,037)	\$ -	\$ 129,854

The aggregate depreciation charged to operations for 2015 was \$4,037. The depreciation policies are described in Note 2.

Northeast Missouri Area Agency on Aging
Notes to Financial Statements
June 30, 2015

Note 6 – Equipment Inventory

In accordance with grant regulations, the Organization has established an amount of \$500 for inventory control purposes only. The following is a summary of changes in equipment inventory for the fiscal year ended June 30, 2015:

Balance, beginning of year	\$ 29,827
Additions	--
Dispositions	(--)
Balance, end of year	\$ <u>29,827</u>

Note 7 – Employee Benefit Plan

The Organization has a Simplified Employee Pension plan under section 408k of the Internal Revenue Code. Plan contributions are made to individual retirement accounts of all eligible employees. The Organization contributed 15% per month for the year ended June 30, 2015, for total plan contributions of \$13,476.

Note 8 – Commitments and Contingencies

Grant Awards

Financial awards from Federal and state governmental agencies in the form of grants are subject to audit by the appropriate grantor agency. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. The Organization believes that disallowed costs, if any, based upon subsequent audits by the grantor agencies will not have a material effect on the overall financial position of the Organization.

Grants Payable to Others

The Organization is mandated by the Older Americans Act (OAA) to use subgrants or contracts with service providers to provide all services under OAA funding sources, unless the Organization is granted a waiver to provide services directly. The Organization has entered into subgrants with service providers for the provision of supportive, ombudsman, congregate, home delivered, and family caregivers services for fiscal year 2015 – 2016.

Note 9 – Special Events

During 2015, the Organization did not conduct any special events that were peripheral or incidental to the Organization's central activities.

See accompanying notes to the schedule of expenditures of federal and state awards.

**Northeast Missouri Area Agency on Aging
Notes to Schedule of Expenditures of
Federal and State Awards
For the Year Ended June 30, 2015**

Note A – Basis of Presentation

The accompanying schedule of expenditures of federal and state awards includes the federal and state grant programs, direct and pass-through, of Northeast Missouri Area Agency on Aging and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

Note B – Subrecipients

The Area Agency on Aging uses subgrants with various service providers to provide many of the services under Title III of the Older Americans Act. Also, in accordance with terms of these subgrants, the service providers must spend program income to further the program. The federal and state expenditures passed through to service providers, and the program income expended by service providers, are as follows:

<u>CFDA# or State Award</u>	<u>Federal Awards</u>	<u>State Awards</u>	<u>Program Income</u>

**Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Board of Directors
Northeast Missouri Area Agency
on Aging
Kirksville, Missouri

To the Missouri Department
of Health and Senior Services
Division of Senior and Disability Services
Jefferson City, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the Missouri Department of Health and Senior Services "Mandated Audit Criteria," the financial statements of Northeast Missouri Area Agency on Aging (a nonprofit organization), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 10, 2015.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Northeast Missouri Area Agency on Aging's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Northeast Missouri Area Agency on Aging's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Northeast Missouri Area Agency on Aging's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

We noted certain matters that we reported to management of Northeast Missouri Area Agency on Aging in a separate letter dated November 10, 2015.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Federal Program
and on Internal Control over Compliance Required by OMB Circular A-133**

To the Board of Directors
Northeast Missouri Area Agency
on Aging
Kirksville, Missouri

To the Missouri Department of
Health and Senior Services
Division of Senior and Disability Services
Jefferson City, Missouri

Report on Compliance for Each Major Federal Program

We have audited Northeast Missouri Area Agency on Aging's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Northeast Missouri Area Agency on Aging's major federal programs for the year ended June 30, 2015. Northeast Missouri Area Agency on Aging's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Northeast Missouri Area Agency on Aging's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*; and the Missouri Department of Health and Senior Services "Mandated Audit Criteria." Those standards, OMB Circular A-133, and the "Mandated Audit Criteria" require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Northeast Missouri Area Agency on Aging's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Northeast Missouri Area Agency on Aging's compliance.

Opinion on Each Major Federal Program

In our opinion, Northeast Missouri Area Agency on Aging complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control over Compliance

Management of Northeast Missouri Area Agency on Aging is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Northeast Missouri Area Agency on Aging's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Northeast Missouri Area Agency on Aging's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
